Airport report outlines timetables for projects

By MARGO DEWEY
ANP Staff Writer

Romulus city officials recently received a status report from Director of Airports Robert Braun on Detroit Metropolitan Wayne County Airport property acquisition.

The report was prepared by Thomas McCarthy, director of special projects for the airport expansion project. Braun also informed city officials he hopes to begin a land acquisition program for noise mitigation in 1991.

"In 1992, the airport plans on completing the acquisition that was started in 1991, as well as continuing with noise mitigation property acquisition," Braun said.

Within the report, McCarthy addressed the status of each project and the projected timetables.

"In order to obtain the permission of the principal property owner whose trees were obstructing the clear zone, the county agreed to acquire a 29-acre parcel of property situated just south of Eureka Road on the west side of Wayne Road," McCarthy said.

After obtaining two independent appraisals, as well as a review appraisal, McCarthy said the fair market value of the property was determined to be $1.335 million.

On Jan. 18, 1991, the county authorized the commencement of condemnation proceedings to acquire ownership of the 29-acre parcel. The condemnation complaint was filed in the Wayne County Circuit Court Feb. 2, 1991. It was anticipated the county would obtain title to the property by March 1991, according to McCarthy.

"County officials determined, after extensive discussion with Sumpter Township officials and citizens, that the county would acquire approximately 500 acres of property in Sumpter Township and create wetlands," McCarthy said. "As part of the project, the new wetlands will include the creation of a nature wetland park at the site. The county's consultants are proceeding with the work necessary for the wetlands project."

McCarthy pointed out there are several outstanding issues concerning MDNR permit conditions and the wetland mitigation process.

"Not withstanding the resolution of these issues with the MDNR, the county is proceeding with acquiring the proposed wetland property by July 1991," McCarthy said. "Funds will be required to pay for the property at that time.

"Commonwealth has committed to the acquisition of the property within six months of its notice to proceed for a fee of $110,500. Assuming March 1, 1991, notice to proceed for Commonwealth, it is reasonable to assume that the property for this project can be acquired by September 1991.

"Due to the size of the acquisition, we have decided to acquire the property in two phases. The first phase totals 41 parcels of vacant and single-family residential property. The second phase will be the remaining 30 parcels which are mostly commercial and light industrial property."

The acquisition of Phase One is underway, according to McCarthy.

"The Farbman/Stein contract required their services be completed within 18 months," McCarthy said. "However, in order to acquire the property as expeditiously as possible, we have established an initial timetable for making offers on the Phase One property by May 1991 and the Phase Two property in September 1991.

"Under this schedule, title to the property will be established June 1991 for Phase One and October 1991 for Phase Two."

Master Plan lists improvements

By MARGO DEWEY
ANP Staff Writer

Duwayne Martin, director of Romulus parks and recreation, presented councilmembers with a proposed Recreation Master Plan May 13, which is targeted to be approved May 28.

Martin, along with the recreation staff and commission, outlined specific reasons for preparing a comprehensive Recreation Master Plan which include:

- Identifying the short- and long-term recreation needs within the community and develop policy plans and programs to address these needs.
- Preparing a capital improvement budget with specific projects to be implemented over a five-year period.
- To qualify the Recreation Commission to apply for recreation funding programs available through the State of Michigan.

Romulus is described within the Recreation Master Plan as being strongly influenced by the presence of the Detroit Metropolitan Wayne County Airport, which occupies about 5,000 acres of land in the center of the city.

The presence of the airport has resulted in the uneven distribution of dwelling units throughout the community.

The greatest period of growth for Romulus occurred between the 1950s and 1960s. The pace of population has now leveled off considerably.

Future growth in the city will depend on a number of factors, according to the Recreation Master Plan which includes:

- The amount of land available for home sites that are not unfavorably impacted by the airport.
- The image of the city as a place to live.
- The ability of the city to attract a much greater percentage of its work force to both live and work in Romulus.

Romulus has few naturally occurring physical assets such as water features or changes in topography that readily lend themselves to recreation activities, according to the Recreation Master Plan.

Residential uses in Romulus occupy 2,200 acres of land or 9.5 percent of the city. The Master Land Use Plan envisions the expansion of residential land and projects the eventual use of 5,640 acres for residential purposes at capacity development.

The Recreation Master Plan lists several other goals for the neighborhood, community and administration. Within the Master Plan is also a comprehensive list of improvements needed for various areas which include:

- Neighborhood parks – Undertake a comprehensive program of upgrading existing neighborhood park sites to include new equipment and facilities. Acquire new neighborhood park sites to meet anticipated future recreation needs in conjunction with new residential development proposals.
- Community parks – Expand the range of activities at each of the two community park sites, with an emphasis on establishing Elmer Johnson Park as the centerpiece and focal point of the city recreation system.
- Nonresident recreation – Require recreation and open space facilities to be provided in conjunction with the development of the Metro World Centre.

Festival fun

The Romulus High School Marching Band (above) participates during the Romulus Festival Friday evening to kick off the annual event. James Kirtley (left takes a dip in the dunk tank Saturday morning. Temperatures in the 50s made the dips a bit chilly, however. The dunk tank was sponsored by Romulus High School as a fund-raiser for the Class of 1993. ANP photos by Deanne DeYonker/staff photographer.

Grandparents Day a huge success

Romulus Cory Elementary School Principal Phyllis Adkins was overwhelmed by the positive response of Grandparents Day marked recently at the school.

"We had 136 grandparents RSVP before the day of the event, but 290 grandparents showed up," Adkins said. "It was absolutely wonderful. The students and the grandparents really enjoyed one another."

The Romulus School Improvement Team, Cory faculty and Parent Teacher Association representatives organized the event, according to Adkins.

Grandparents arrived at Cory about 9:30 a.m. for a continental breakfast. At 10:15 a.m., the students were invited to visit their grandparents.

"The grandparents went to the classrooms of their grandchildren," Adkins said. "They talked about their experiences when they went to school. They talked about how important education is and what it meant to them."

Some of the grandparents informed the students they were teachers at one time, while other grandparents told the children they once operated a business.

Councilmembers OK transfer

By MARGO DEWEY
ANP Staff Writer

Romulus councilmembers approved May 13 the transfer of employment of Batten Design and Engineering Service Inc. at 27554 Wick Road to Van Buren Township.

BDES officials requested the transfer in anticipation of receiving a tax abatement on a new facility, according to City Clerk Linda Choate.

BDES officials originally approached councilmembers in October 1990 seeking a tax abatement, according to Romulus Assessment Director Matthew Raftary.

"At that time, they were considering moving into an existing building in the Metro Airport Center that would be adapted to their needs," Raftary said. "It was their goal to move closer to their clients while not moving too far to inconvenience their employees."

Thomas Valen, vice president and general manager of BDES, informed councilmembers the current location on Wick is not large enough to accommodate BDES.

"Because that facility does not provide shop area and is not expandable, we began searching for a new location in which to construct a new integrated facility," Valen said. "One of our main criteria in selecting a new site was to gain better proximity to our primary customers."

The most important customer to BDES is the Ford Motor Co. Rawsonville Plant in Ypsilanti Township.

"While greater accessibility was important to us, we did not want to move so far west so as to inconvenience our work force," Valen said. "Weighing both of these considerations, we sought a location somewhere between our existing facility and the Rawsonville Plant, preferably along Interstate-275."

Valen explained the company intends to defray the substantial costs associated with the new facility by applying for real and personal property tax abatement.

Legislator named to hall of fame

By JOAN DYER-ZINNER
Belleville City Editor

A 19-year veteran of the state legislature was inducted into the Michigan Education Hall of Fame in a May 16 ceremony in Lansing.

Rep. William R. Keith (D-Garden City) is the third legislator upon whom the highest honor in state public education has been bestowed.

"This is not only a great honor for me, but also for the district," Keith said. "It is also a very special honor to be one of only three legislators who have received this honor."

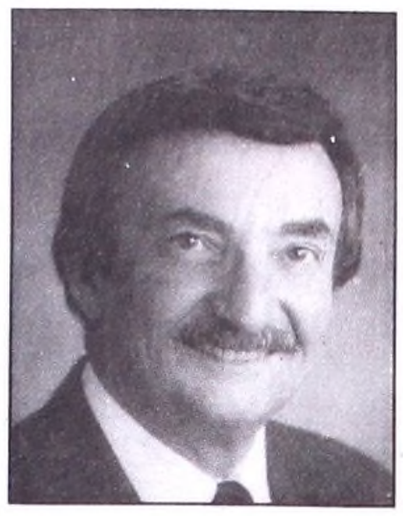
Induction into the hall of fame has special meaning for Keith because he is a product of special programs.

"In my early schooling, I spent two years in a special program because of a learning disability and ill health. I also graduated from Wilbur Wright Vocational School in Detroit in 1948," Keith said. "It seems we have come full circle, and we're looking at establishing programs like those at Wilbur Wright."

He noted college preparatory courses often have replaced vocational programs, and yet, not all high school students have gone on to college. The result is many students do not have adequate job skills or training to make them employable.

Keith recalled Wilbur Wright as a year-round school where students alternated between two weeks of on-the-job training and attended school for two weeks. It was what we today would call a school of choice because students from all over Detroit applied for the technical programs. Students who did not keep up the standards set by the vocational school would be returned to their district high school the following term.

"I don't know why we abandoned the concept, but it seems that we are taking another look at it now," Keith said. "Among all of the issues I'll be working on, the foremost project will be the total reorganization of the vocational education delivery system. Not just weiding and auto mechanics, but training in a variety of careers like marketing and journalism."



William Keith

Keith said the changes in the vocational education system are being prompted by the dissatisfaction of industrial and commercial employees who are complaining students are not trained or qualified for jobs.

"I've spent a good six months developing plans for vocational education. My work now will be to develop legislation to implement the 2000 Vision Plan for vocational education," Keith said.

Teachers honored for their skills

Several local teachers were among those honored as the best in Wayne County.

The instructors were recognized May 10 at a reception hosted by the Wayne County Regional Educational Service Agency.

Douglas Brown of the Van Buren Public Schools servced on the screening committee for the awards, which are also sponsored by WDIV-TV.

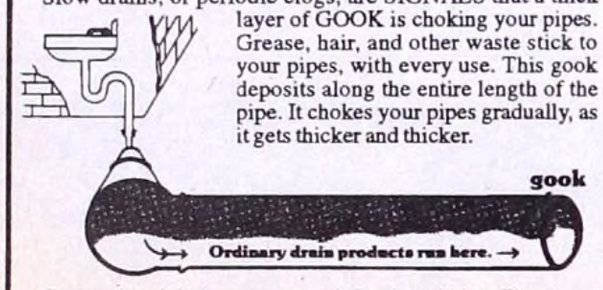
Delores Flagg of Blanchette Middle School was honored as the 1990 Newsweek WDIV Winner in the Outstanding Middle School Teacher category.

Local semi-finalists included: Janet Brown of Walker Elementary School in the Wayne-Westland district, Gail Anne Coleman of Romulus Senior High School, Timothy Cornick of Wayne Memorial High School in the Wayne-Westland district, Sally DeRoo of Plymouth-Salem High School in the Plymouth-Canton district, Fredericka Jackson of Baylor Elementary School in the Inkster district, Valerie Peters of Elwell Elementary School in the Van Buren district, Karen Richard of Barth Elementary School in the Romulus district, Regina Salcau of Lowell Middle School in the Plymouth-Canton district, Sheryl Lynne Stallings of Romulus Senior High School, Geraldine Stosick of South Middle School in the Van Buren district and Margaret Williams of Blanchette Middle School in the Inkster district.

Drains Run Slow?

You'll never have a slow running, or clogged drain again! The secret? Clean drains don't run slow.

Slow drains, or periodic clogs, are SIGNALS that a thick layer of GOOK is choking your pipes. Grease, hair, and other waste stick to your pipes, with every use. This gook deposits along the entire length of the pipe. It chokes your pipes gradually, as it gets thicker and thicker.



Conventional drain openers can't fix slow drains. They react chemically on the surface of the gook. To be effective, they must remain in contact with the waste. Even a small tunnel in the gook lets them flow out to the sewer, leaving the gook behind.

In the past, the only way to remove this build-up was to rooter your pipes. An expensive, temporary measure.

Now, with just a few minutes each month, you can easily clean out your pipes... and KEEP them clean with Plumb Clean. Its totally unique formula clings, and penetrates deep into the gook. That is what allows it to liquefy even years of build-up. Plumb Clean will clean the entire length of your pipes. It will make your drains run like new, when used as directed. This penetrating action is so revolutionary, we stand behind Plumb Clean with a money-back guarantee!

Saves Money. A 1 lb. container of Plumb Clean holds up to 41 drain treatments. Even if drain openers could fix slow drains, it would take over 10 quart bottles to get the same number of treatments. Plumb Clean costs about 35¢ per treatment. We don't know of anything that cleans drains for less.

Safe Too. Conventional drain openers are dangerous chemicals. They can injure eyes on contact. They can release deadly vapors, in some situations. Some may damage your fixtures. Plumb Clean will not burn skin, or eyes. It will not release harmful fumes. When used as directed, it is 100% safe for people, and of course, all plumbing.

So, if your drains are giving you a SIGNAL, act now. **Get** safe, guaranteed **Plumb Clean today!** Available at: 4/4/91

ROMULUS NEWS

DIGEST

New hotel to open May 23

An open house will be staged 11 a.m. to 6 p.m. May 23 for the grand opening of Hampton Inn at 30847 Merriman Road.

A ribbon-cutting ceremony will be staged at 1 p.m. Wine and cheese and hors d'oeuvres will be served along with a tour of the facilities.

Archery Club hosts benefit

The Romulus Chamber of Commerce and the Romulus Metro Archery Club will host a 50-50 Archery Benefit Shoot, where a portion of the proceeds will go to the drug task force program created by Mayor Beverly McAnally.

Participants with the best hand will receive 50 percent of the shooting fee. The event will run seven days a week for the months of April, May and June at Northline and Huron River Drive in Romulus. Individuals 18 years old or older can participate. For more information, phone 941-9486.

Head Start recruits youth

The Romulus Head Start and Michigan Department of Education Preschool programs are recruiting eligible 3- and 4-year-old children for the session beginning September 1991. These free preschool programs will be staged at Beverly School. The program serves children from low-income families. Anyone interested should call Gale Reinhackel at 728-7815.

Civic League stages events

The Romulus Civic League is again offering adult social night from 8 p.m. to 12 p.m. each Friday.

The program was started in June 1990.

Resident graduates from Olivet

Former Romulus High School student Paul Niedermeyer recently graduated from Olivet College with a bachelor of arts degree. Niedermeyer majored in biology. Olivet College is a four-year liberal arts college located in south central Michigan and is associated with Congregational Christian and United Church of Christ Churches.

5,000th resident visits recycling center

Wayne resident William Richards recently had the honor of being the 5,000th recycling visitor to drop off recyclables at the Department of Public Works in Wayne.

Police to 'blitz' motorists

By MARGO DEWEY
ANP Staff Writer

Romulus police officers are assisting other Michigan law-enforcement agencies with a national program to encourage motorists to buckle up.

The safety-belt enforcement campaign "Blitz" is directed by the National Highway Traffic Safety Administration and is coordinated by the Michigan Office of Highway Safety Planning.

Each day in Michigan four people are killed in traffic crashes, and 400 more are injured just driving down the street, according to Romulus police officers.

> Romulus police officials encourage residents to buckle up because it improves the chances of not being injured.

Romulus police officials encourage residents to buckle up because it improves the chances of not being injured.

The following is a list of events for the campaign which will be conducted in three phases:

- Phase one – May 20-27, Buckle Up America Week (official kick-off including 19-city survey results).
- Phase two – June 2, begin three-week public information effort. June 23, state, county and local law enforcement press conferences. June 30, begin second two-week law enforcement effort. July 15, conduct second informal survey.
- Phase three – July 28, begin three-week public information effort. Aug. 18, begin one-week state, county and local press conferences. Aug. 25, begin third two-week law enforcement effort. Sept. 8, conduct third informal survey. Sept. 25, wrap up of 1991 campaign including results of 19 city survey at the national level and informal survey at local level.

Councilmembers approve appointment

By MARGO DEWEY
ANP Staff Writer

Romulus councilmembers approved May 13 the appointment by Mayor Beverly McAnally of the Construction Board of Appeals to act as the Hearing Board in cases of building demolition.

The Romulus Building, Safety and Engineering Department is currently processing properties within the city for demolition. McAnally explained under the guidelines of the Romulus Code of Ordinances, a public hearing must be staged in reference to the demolitions and a recommendation of the board hearing the matter must be forwarded to councilmembers for final approval.

The duties of the hearing officer are as follows:

- Will be appointed by the mayor to serve at the pleasure of the mayor.
- The chief building inspector will file a copy of the notice of the dangerous condition of any building with the hearing officer.
- At any hearing staged, the hearing officer will take testimony of the chief building inspector, the owner of the property and any other interested party. The hearing officer will then render his/her decision either closing the proceedings or ordering the building to be demolished.
- It will be up to the hearing officer to determine whether the building or structure should be demolished or otherwise made safe, fixing a time in the order for the owner or party in interest to comply.
- If the owner or party in interest fails to appear or neglects or refuses to comply with the order, the hearing officer will file a report of the findings and a copy of the order with the city council and request the necessary action be taken to demolish or otherwise make safe the building or structure.

Resting up

St. Aloysius Elementary School participants of the third annual walk for education take a break after collecting $1,942 in pledges. The money will go into the school budget to pay for general school expenses. ANP photo by Amanda Wilson

Councilmembers consider adopting party ordinance

By MARGO DEWEY
ANP Staff Writer

Romulus councilmembers are considering adopting an ordinance which would control the use of intoxicants and other controlled substances at open house parties in the city.

On May 13, councilmembers approved the introduction of the ordinance. Police Chief Fred Dansby recommended the ordinance to Mayor Beverly McAnally and councilmembers.

"I feel that this will give the police department another tool to work with," Dansby said. "These types of parties are becoming more popular each year and pose a problem for the department."

The ordinance, if adopted, would read as follows:

- Romulus City Council finds the uncontrolled use of intoxicants and other controlled substances by minors creates social problems in many communities throughout the nation, including within Romulus.
- The use of intoxicants and other controlled substances by minors can have deleterious effects on those minors as well as on the general public, including personal injuries and property damage caused by people operating motor vehicles while under the influence of intoxicants or other controlled substances.
- The Romulus City Council finds adult regulation of open house parties could significantly reduce the problems associated with the abuse of intoxicants and other controlled substances by minors.
- The regulation of such open house parties by adults can be achieved by the acceptance of responsibility for such open house parties by adult owners, renters or occupants in control of premises where such parties occur.

The ordinance also covers hotels and motels. Councilmembers must approve the first and second reading of the ordinance before it becomes adopted.

City health officials to submit report

By MARGO DEWEY
ANP Staff Writer

Romulus Adolescent Health Care officials compiled facts and figures for a semi-annual report to be submitted to the Michigan Department of Public Health.

The report covers a period from Oct. 1, 1990, to April 30, 1991.

On March 30, 1990, the Romulus AHC first opened. Since that time, the center has grown and increased its ability to provide accessible and comprehensive health services to the residents of the Romulus School District.

In January 1990, the school board approved a resolution to lower the age of eligibility to 10 years old, which enabled the Center to help youngsters in the elementary schools as well as the junior and high schools.

About 632 patients visited the Health Center at the Romulus High School between September 1990 and March 30, 1991. About 55 percent of the patients are male, 60 percent are white and 37 percent are black.

An average of 50 percent of the patients have no health insurance. The other 50 percent of the patients use Medicaid, Blue Cross, private insurers and HMOs.

More than half of the patients visited the Center for general medical care. A large number of the patients access the services on a drop-in basis.

General medical services include school and sports physicals, gynecological check-ups, pregnancy testing and immunizations. Another 10 percent are for mental health services and counseling.

The Health Center recently received a grant from the Skillman Foundation to hire a mental health counselor at the Center. Although the grant was effective Jan. 1, 1991, delays with the contractual arrangement through Heritage Hospital have kept the Center from being able to hire the counselor.

Negotiations with Heritage Hospital-Oakwood Health Systems has enabled the hospital to bring all Center employees (except the medical director) on staff at the hospital.

The agreement with Counterpoint has enabled the Center to offer substance abuse prevention counseling to the clients. That project also allows the Center to provide peer counselor training for 18 students in the Center.

The peer counselors will be trained and then used through the Center with the oversight of the mental health counselor and the center program director.

Anticipated grant funding includes:

- Funding for teen pregnancy prevention initiative focusing on providing expanded life options to the teens.

Schools give help to president's men

By MARGO DEWEY
ANP Staff Writer

Romulus Community Schools representatives and officials from the Romulus Ramada Inn joined forces earlier this month to provide transportation and lodging for the secret servicemen who preceded and accompanied President George Bush during his brief visit.

Kim Montambo, sales manager for Ramada Inn, had no problem organizing rooms for 125 secret servicemen and providing transportation to and from the airport, she said. She has worked with government agents before.

"We set up some specials for the servicemen," Montambo said. "They had a number of briefings to attend, but we managed to have everything run smoothly.

"Getting them back and forth to the airport wasn't too bad because some had their own transportation since they arrived at a different airport, Willow Run Airport."

The Romulus Community Schools became involved through Ed Clark, director of Partnerships for Education. Clark contacted John Hadynick, transportation director for Romulus Community Schools, who in turn lined up buses to maneuver the secret service to the University of Michigan, where Bush was giving a speech.

"Our role was to contact the superintendent's office to get approval for using the buses," Clark said. "This was a once in a lifetime opportunity. It took a lot of coordination between the businesses and schools."

Illegal boxing draws crowds

By TOM MOORADIAN
ANP Staff Writer

After two afternoons of uninterrupted, reportedly unauthorized boxing and alleged gambling activities in Penn Park, a force of about 30 members of the Inkster Auxiliary Police last Thursday took over the park and prohibited the organizers from staging any more fights.

The show-of-force by police knocked out the boxing card that had drawn huge crowds into the park the preceding night. Among the crowd were beer-drinkers, gamblers and drug dealers, according to individuals attending the event and a video tape recording.

The boxing programs were the results of an "earnest grass-root effort by the neighborhood so that we could get the kids off the streets," said Michael Byrd, one of the organizers who officiates basketball games for the city recreation program.

"The numbers showed that there is a great interest in activities of this sort, and it is amazing to see that the police would squash such activities. If they can bring out the riot squad for this, why can't they do the same to curb illegal activities like drugs in the city."

A video tape viewed by members of *The Associated Newspapers* staff, however, showed evidence the fights were staged with little regard to the safety and welfare of the boxers and that gambling was involved.

The boxers, who appeared to be of high-school age, didn't wear protective head gear or mouthpieces and, although temperatures were in the high 80s, no water was made available to them.

In at least two incidents, boxers were knocked down to the ground and sustained facial cuts, and no physician approached the fighter to provide medical aid.

The video showed crowds, estimated at between 150 to 200, pressing against a roped-off area, which served as the ring. The "ring" was set up in an area of the park obscured by the trees and is not visible to motorists on the much-traveled Beech Daly Road.

However, scores of cars were parked on Penn, and carloads of fans continued to flock into the park as if they had prior knowledge fights were being staged.

Several prominent individuals could be identified in the crowd pictured on the video tape and money could be seen changing hands on several occasions.

There was an "official" in the ring with a stop watch who kept track of the time in each round.

The crowd, according to the individual providing the tape, was divided between Inkster and Dearborn Heights residents and the wrestling matches pitted residents of one city against the other city, he said.

Boxing is highly regulated by the state. To be legal, matches must be sanctioned by the state boxing commission, a doctor must be present, a trained referee must be present and proper protective gear must be provided to the fighters.

On Thursday, police took up strategic points in the park and roamed the area. There were no confrontations. Although there were several verbal exchanges between the police and the crowd, no physical contact was made.

Organizers of the boxing matches vowed Thursday to carry their fight to the City Council chambers.

Byrd on Monday said he would not appear before council.

"We feel that it is better at this time to seek other means of bringing boxing to the city," he said.

Councilman Ernest Hendricks, whose district includes the park area, said the organizers don't realize the consequences of their actions.

"They don't understand the ramifications," Hendricks said. "Someone can get seriously hurt. Or even killed. I would hope that they would understand this.

"And if they want this sort of activity they should approach the city and the recreation department for help."

Acting detective Charles Hines, who also serves as director of the Office of Emergency Management, commended the officers for the way "they handled a very touchy situation."

"Our men listened to their complaints but didn't overreact. They are to be commended," Hines said.

One person in the park said police violated their rights.

"We have rights, too," Harry S. Smith said. "We pay our taxes. What right do they have to stop this? They haven't heard the last of this."

'2nd season'
Romulus seeks to improve image with victory over Canton

By TERRY LYNCH
ANP Special Writer

Somebody in the South Central Athletic Conference had to play Adrian on the day the Maples could clinch the league championship. Through the bad luck of scheduling, that chore fell to the Romulus Eagles.

With nothing to lose and playoff momentum to gain, the Eagles embraced the chore with vigor, but fell nonetheless to the Maples 7-5 Tuesday.

The Maples took the crown, while the Eagles fell to a disappointing 4-8 mark in their last year in the league. The Eagles will play as an independent next year.

First-place Adrian finished with a 9-3 league record and 17-7 overall.

But the Eagles didn't go easy. They made Adrian work for it.

The Maples drew first blood, scoring four runs in the first inning. But Romulus came right back at the champions with two runs. **The big hit for the Eagles** came from starting pitcher Tim Dufore. Dufore launched a homer with one on to cut the Adrian lead in half.

Dufore knocked in three runs in the game.

> "The game see-sawed back and forth through the fifth inning."
>
> **— Dan Foley**
> Romulus coach

"The game see-sawed back and forth through the fifth inning," Eagles Coach Don Foley said.

Each team scored one run in the second. Ben Good homered to account for the Eagles run.

After three innings, the score stood at 6-5 with Adrian ahead.

Both teams had shaky pitching from their starters. Dufore gave up all seven runs on nine hits. He worked five innings.

Adrian starter J.R. Hayden gave up all five Eagle runs while working 4 1/3 innings.

Both teams called on relief help to make the difference.

Romulus went with Senior Jeff O'Connor, who continued his recent strong relief work by holding the Maples to just two hits in two innings.

But he was outdone slightly by Adrian ace Dan Lock, who held the Eagles to just one hit in the last 2 2/3 innings.

"Dan is a lock for All District, and has a good chance to be an All-State pick," Foley said.

Besides the offense generated by Dufore and Good, the Eagles benefited from two-hit games by Rich Evans and Ed Tank.

Two Maple players, Charlie Solis and Mike Harris, hurt the Eagles in collecting three hits apiece.

Adrian added an insurance run in the fifth to close out the scoring 7-5.

"The game was very clean. Adrian had just one error and we had three," Foley said.

The loss closes out the regular season for Romulus. The Eagles struggled to a 9-12 overall record but hope to put something together during the playoffs.

Romulus will face Plymouth-Canton in Canton Thursday in pre-district play.

Rockets shoot down Tigers

By TOM MOORADIAN
ANP Staff Writer

Belleville ran up against state-ranked Westland John Glenn in the qualifying round of the Class A district baseball playoffs and fell to the hard-hitting Rockets 8-1.

John Ward went the distance for the Western Lakes Divisional champions and chalked up the victory, while Mike Komaromi digested the loss.

> Glenn has an excellent team. We knew that going into the game. You are not ranked up there among the top five all year for nothing.
>
> **— John Bertz**
> Belleville coach

"Glenn has an excellent team," Belleville Coach John Bertz said. "We knew that going into the game. You are not ranked up there among the top five all year long for nothing."

Bertz, whose Tigers have a 4-14 record after dropping a 5-2 decision to Monroe Tuesday, said he was "disappointed that his team lost, but satisfied that his players gave it everything they have."

On Tuesday, Bertz send Clint Kessler up against Scott Smith and the two pitchers hurled three innings of scoreless ball before the Trojans broke loose.

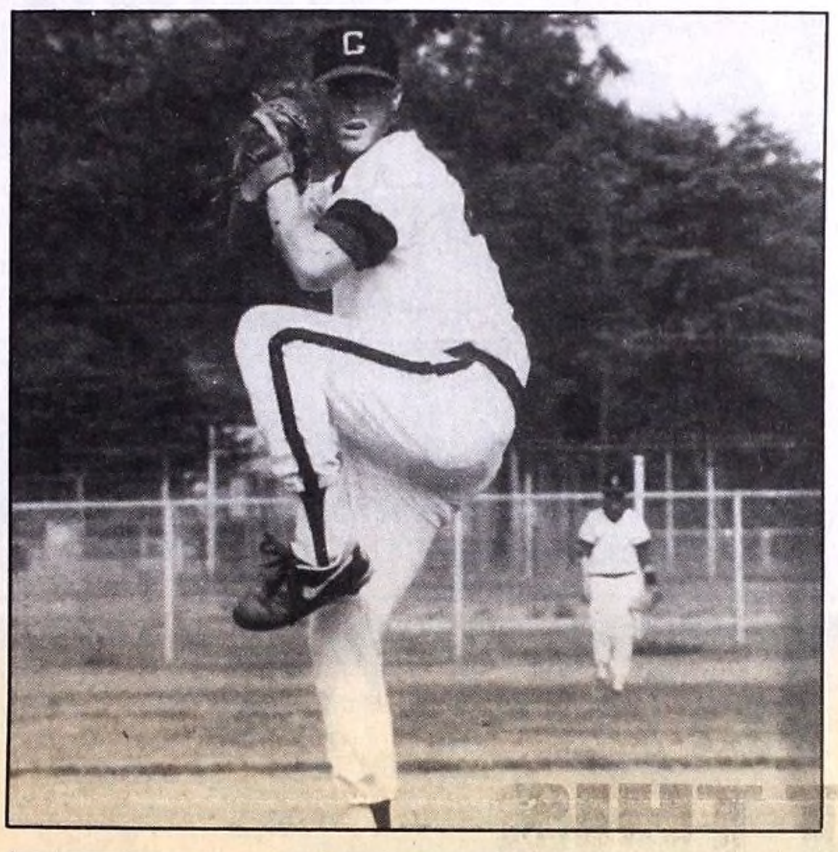
Monroe drew first blood and snapped the deadlock in the bottom of the fourth, putting its first run on the scoreboard. Then, Monroe made it a 4-0 game in the fifth before the Tigers came back and scored their only two runs of the game in the sixth.

That inning went like this: Sean O'Neal singled and, after Smith got the next two batters, he gave up a single to Ron Wesley. Then, the Monroe hurler unleashed a passed ball, allowing the runners to advance.

Jason Henderson's grounder to short was bobbled by the infielder, allowing the two runs to score.

Kessler notched seven strikeouts and walked two while giving up six hits. Smith fanned eight and walked three in the victory.

The loss dropped Belleville to 3-9 in the Wolverine 'A' Conference. The Tigers were to play Trenton, weather permitting, last night for their conference finale.



Glenn hurler John Ward (left) was in winning form against Belleville last week, as he pitched the Rockets to an 8-1 victory and into the pre-district playoffs. Glenn slugger Rob Filary (below) hits the dirt and slides into the glove of Belleville catcher Todd Yocum. The state-ranked Rockets, who sport a 21-2 record, will play Thursday at home against Ann Arbor Huron to determine which team will advance to the Class A district championship. The championship will be hosted by Huron June 1. ANP photos by Deanne L. DeYonker/staff photographer

Rockets 21-2
Glenn captures division title

By DION PRATER
ANP Special Writer

The John Glenn Rockets started out quick and strong Monday, scoring six runs in the first two innings but were held scoreless the rest of the way. It didn't matter as the Rockets defeated Walled Lake Central 6-2 to earn first place in the division.

John Glenn has been in the Western Lakes Division for six years. During that time, they have won four Lakes division titles and three overall Western Lakes championships. They now will gun for the fourth Tuesday against Plymouth Canton, the winner of the Western Division.

The Scheffer brothers came through again for Glenn as Aaron picked up his fifth victory against no defeats. However, he struggled against Walled Lake, giving up two runs on 10 hits. His walk and strike out totals were both down. Lawrence helped his brother's cause by hitting his 10th home run in the second inning.

In the first inning, the first five batters reached base safely. Gary Pierce started the rally with a lead-off single. Andy Gagne followed his lead with another base hit. Mike White then drove home a run with the third straight single. The next batter, John Ward, followed the script. He singled to drive home Gagne.

> We got nervous there because we scored so early and left them a chance to get back in it. You like to add a few to let them know you're still in the ballgame.
>
> **— Norm Hoenes**
> John Glenn coach

But Aaron Scheffer broke the streak. He doubled to bring home Ward. Ken Tennant followed where the others left off, with a single to bring home Scheffer. Two outs later, Tennant scored as well.

Then the Walled Lake pitcher settled down and held them scoreless the rest of the game.

"We got nervous there because we scored so early and left them a chance to get back in it," John Glenn Coach Norm Hoenes said. "You like to add a few to let them know you're still in the ballgame."

Hoenes should not have worried. Walled Lake scored single runs in the fourth and the fifth but did not threaten to score again.

The Rockets finished the season at 9-1 in the conference and 21-2 overall. John Glenn hosts Ann Arbor Huron today in the pre-districts.

Grady, Buford, Edwards strike regional gold

By TOM MOORADIAN
ANP Staff Writer

Led by Wayne Memorial hurdler James Grady, local athletes discovered gold at the Class A regional track and field championships at Novi High.

Grady and teammate Allan Buford, along with Belleville High star Andre Edwards, came away knowing they will compete in the state finals June 1 in Grand Rapids.

Grady placed first in the 110-meter high hurdles with an exceptional 14.5 run. He also crossed the finish line first for the 300-meter low hurdles. He was clocked in 39.8.

Buford, one of the premier athletes in the state, picked up a gold medal for his 20'11 3/4" leap in the long jump. He also came away with a bronze medal in the 200-meter dash, where he finished in third place with a 22.7.

Edwards, the blue-chipper from Belleville, captured the gold in the 200 as he led his rivals across the line of finish. The officials clocked his performance at 21.7.

Belleville and Wayne, which finished in a dead heat in their dual meet in the Wolverine 'A' Conference, also finished in a tie for fifth place at the regionals. Ann Arbor Pioneer emerged as the regional champ, followed by Ypsilanti and Brighton.

Westland John Glenn will also be represented at the state finals by senior sprinter Randy Seach, who finished runnerup in the 400-meter dash. Seach lost the gold in a thriller to AA Pioneer's Greg Gordon, who won the close race with a 50.3. Search was clocked in 50.4.

Glenn will defend its conference title on Tuesday when the Rockets and Coach Jess Shough travel to Livonia Churchill. The Westlanders, 8-1 overall and 4-1 in the division, will have to beat undefeated Plymouth Salem if they want a share of the 1991 title.

In the meantime, Wayne also has a pair of stellar state qualifiers in the women's division.

Competing against some of the finest hurdlers in the state, Erika Beetz survived and finished with a silver in the 100 meters. She crossed the finish line in 15.7. In the 300-meter hurdlers, Erika had the third best time. She can return to her native Germany this summer sporting a silver and bronze medal for her efforts at the regionals.

Wayne, which placed sixth overall, also qualified Akula Hammons.

Hammons soared 16'9 3/4" to finish runner-up in the long jump. The winning leap was posted at 16'11".

Wayne and Belleville joined the rest of their league affiliates at Wayne Tuesday night to decide who will wear the 1991 crown. Pre-season title favorite and undefeated defending champion Monroe retained the title.

Robichaud rally nips Inkster 8-7

By TOM MOORADIAN
ANP Staff Writer

Inkster Coach Jerome Orr is wondering what his team has to do to win a baseball game these days.

Victories in the last two games have been snatched right out of the Vikings' mitts.

Take, if you will, the game against rival Robichaud last week. The Vikings held a 3-2 lead over the Bulldogs in the first inning, then fell behind 7-4 but staged a seventh-inning rally and tied the score at 7-7 before they gave up an unearned run in the bottom of the seventh and lost a thriller 8-7.

"The kids are playing their hearts out, unfortunately, they don't have any wins to show for their efforts. We're just losing close games," Orr said.

> The kids are playing their hearts out, unfortunately, they don't have any wins to show for their efforts. We're just losing close games.
>
> **— Jerome Orr**
> Inkster coach

Right-hander Charles Adams survived a shaky start, as the Viking pitcher gave up a total of four runs in the first inning. Orr allowed his starter to go the distance. Adams picked up five strikeouts and walked three.

The Vikings exploded for three runs in the seventh thanks to walks to Barry Alexander and Mondo Purdue, a single to Adams, a passed ball and a two-run single by Andre Cummings.

Cummings led a seven-hit Viking assault against a pair of Robichaud pitchers. He had a single and a triple for the afternoon.

Rouge struck for three runs in the first inning and added two more in the second before Inkster retaliated with a four-run outburst to make it a close game. Rouge however hung on and posted a 10-7 Suburban Athletic Conference victory.

Adams, who drilled two doubles and a single, led Inkster. He also drove in two runs.

Anthony Walker's two-run double paved the way for that four-run Viking fourth inning.

Zebras frustrated by 2-loss week

By DION PRATER
ANP Special Writer

It was a frustrating week for the Wayne Memorial baseball team.

On Thursday, the Zebras lost to the Adrian Maple Leafs 3-2 and were eliminated from playoff contention. On Monday, they lost to Southgate Anderson 7-6 in a error filled extra-inning contest.

In between the two losses was a brief moment of happiness as they beat Dearborn Fordson 8-7.

Against Adrian, the Zebras showed little power. They had a total of six hits with the big blow being a two-run home run by Joe Files. It was all that kept Maple Leafs pitcher J.R. Hyden from recording a shutout. Hyden was masterful in six innings of work. He struck out 13 of the Zebras he faced and walked none for the victory.

Jason Wetmore took the loss for Wayne, as he gave up two runs on four hits. He struck out five and walked four, including three consecutive in the third inning. The next batter singled to provide the final margin of victory.

On Monday, they faced a tough opponent in Southgate. Ron Hopkins started for the Zebras, and received no help from his defense. In the first inning, Tim White singled with two outs. Scott Robinson then hit a ground ball to the shortstop, which was misplayed. White scored on the error.

In the second, it was more of the same. Charlie Kuhn singled to lead off the second. The next batter was safe on another error by the shortstop to put runners on second and third with no outs. Mike Murphy singled to score both runners. Tim Weidenboch followed with a single to drive home Murphy, who had stole second. Weidenboch advanced to third on consecutive wild pitches and scored on White's single, and Southgate led 5-0 after two innings.

In the top of the fourth, the Zebras started their comeback. Again it was Joe Files for Wayne. He went 4-for-4 on the day with a double and three singles. He led off the fourth with a single. Eric Bates followed with a single to center. Files tried to advance to third and the center fielder threw wild to third, allowing him to score while Bates took third.

Two outs later, Jason Wetmore doubled to bring in Bates and then stole third. Again a wild throw enabled Wetmore to score as the catcher's throw ended up in left field. Wayne trailed 5-3.

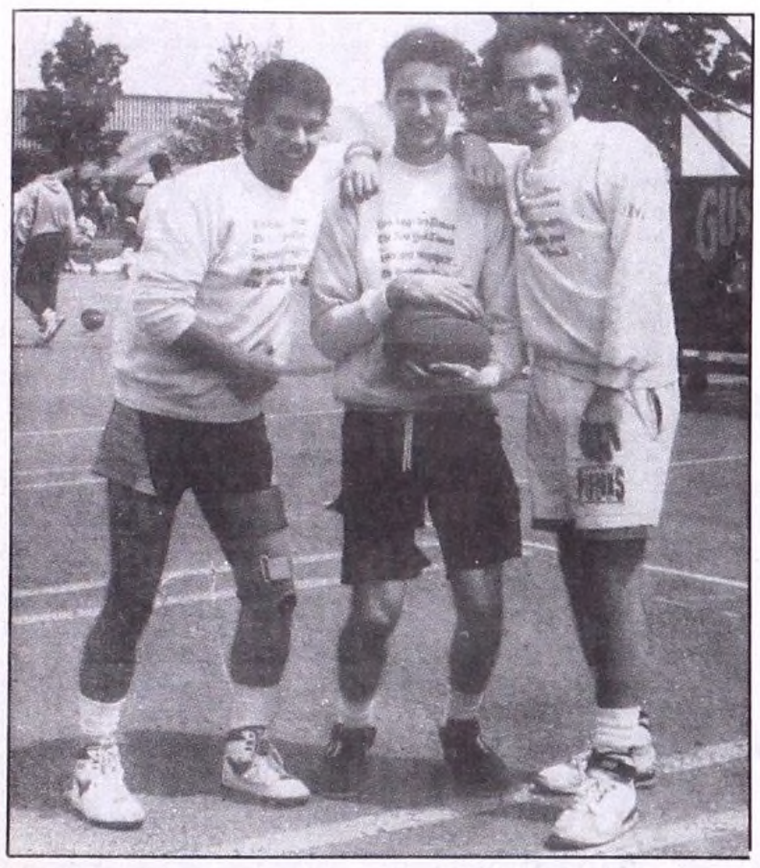
In the fifth, Wayne tied the score after Mike Martin walked and was driven home on Joe Limotte's home run. Wayne was able to come back because of pitcher Scott Goleniak's performance. He relieved Hopkins in the third and pitched six innings, allowing two runs on four hits. He walked two and struck out three.

In the bottom of the fifth, Southgate quickly scored to retake the lead. Scott Robinson singled and stole second. Two outs later, a clutch single by Don Sutton brought him home.

Wayne did not back down to the state-ranked team. They tied the score again in the sixth as Joe Limoote was safe on an error by the shortstop. He swiped second and scored on File's single. However, the Zebras stranded him on the bases.

The score stayed that way until the bottom of the eighth. Jim Bodinus started it with a single. Kuhn flied out to right. Sutten then walked to put runners on first and second with one out. After a pop-up for the second out, Murphy singled to right to score Bodinus with the winning run.

After the game, Wayne Coach Jim Chronowski said, "It was a frustrating attempt to win some respect. We didn't get the W in the win column but for us it was a moral victory."



No Michael Jordans

The Associated Newspapers basketball team of Theodore Coutilish (left to right), Chris Cerulla and John Rhaesa came up short in the Gus Macker 3-on-3 basketball tournament last weekend. The team blew an early lead to lose its only game 20-18 to an Ypsilanti police team. ANP photo by Amanda Wilson

TRAFFIC CONTROL
INTRODUCING TRAFFIC CONTROL, THE NEW CARPET DESIGNED TO FIGHT MATTING.
The ultimate test of any carpet is its ability to resist matting and traffic paths.
And right now at Independent Carpet, we've got the answer to your problems. It's the revolutionary Traffic Control™ Fiber System from Wear-Dated® Carpet.
Traffic Control uses a patented dual fiber design that takes tough nylon fibers and interweaves them with acrylic fibers to build in added resilience. So it's as soft and beautiful as you want your new carpet to be. Yet has the strength to stand up to the abuse your family gives your carpet. Day after day, month after month and year after year.
NEW!
Don't get a new carpet. Get a whole new kind of carpet. Traffic Control.
Traffic Control VS Traditional Construction
The revolutionary Traffic Control Fiber System is designed to bounce back when you walk on it, not get beaten down.
Plus, Traffic Control offers the same stain resistance that Wear-Dated Carpet is famous for. So if you're looking for a carpet that will help stop the traffic routes in your home from looking like beaten paths, come in to Independent Carpet, today and see our wide selection of Wear - Dated Carpet featuring the Traffic Control Fiber System. It's specifically engineered to fight matting. And so advanced, it's even designed to be walked on. And on and on and on. So go ahead, walk all over it.

FOOD LOVER'S DIET
To introduce a new approach to dieting, free diet pills were given to 50 people. With The Omicron Diet, one man lost 14 pounds in 5 days and one woman lost 18 pounds in 10 days. The average weight loss was over a pound a day for women and over 2 pounds a day for men. The Omicron Diet is a revolutionary new concept for unbelievably fast weight loss developed and clinically proven by National Dietary Research of Washington, D.C. This significant breakthrough in metabolic weight control was made possible by the utilization of biological information overlooked by other diet programs. With a formulation of natural enzymes along with real food, you shed unwanted pounds extremely rapidly and safely.
Maintain your new weight forever without dieting!!!!!!
With the special enzyme formula Metabolase, it is now possible to reduce your usual weight by up to 10% or to maintain the weight loss after dieting, without changing your normal lifestyle or eating habits. Available through physicians since 1982, the enzyme formula is now available in pharmacies without a prescription. Start enjoying the foods you love to eat without fear of gaining weight. Metabolase now available at:

DIVORCE SUPPORT GROUP – sponsored by Schoolcraft College Women's Resource Center will discuss legal aspects of divorce with attorney Kathleen McCaan at their May 28 meeting. The group meets at 7 p.m. the second and fourth Tuesday of every month in the lower level conference room of the Waterman Campus Center.

CHURCHES

CHRIST THE GOOD SHEPHERD CHURCH – is accepting registrations for youngsters ages 3 to pre-kindgarten for the fall 1991 cooperative preschool program. Classes will be Monday, Wednesday and Friday 9:15 to 11:15. Cost is $35 per month, plus $25 registration fee. Phone 981-0286. The church is located in Canton Township.

ST. MATTHEW LUTHERAN CHURCH – in Westland will host a rummage sale 9 a.m. to 6 p.m. May 23 and 24, and 9 a.m. to noon May 25. Refreshments available. Church is located on Venoy, just north of Ford Road.

GREAT FAITH TEMPLE – of Inkster will host Pastor Howard Tillman May 29 and 31 at the church. The Great Faith Festival will be staged June 5 through 9. For information, phone 274-5430.

FIRST CONGREGATIONAL CHURCH OF WAYNE – annual spring salad luncheon will be from 11 a.m. to 1 p.m. May 23 at the church. Cost is $4.50 for adults and $1.25 for children. Crafts will also be available.

ST. DUNSTAN SCHOOL – in Garden City is accepting registrations for the 1991-92 school year grades kindergarten through eight. Phone 425-4380.

ST. MARY'S SUMMERFEST – will be staged July 26, 27 and 28. Reservations are now being accepted for the craft tent. Tables are $15 per day, $24 for the weekend. Phone 722-0764.

CHRISTIAN WOMEN'S CLUB – presents "Grand Old Flag" at 12:30 p.m. June 14 at Weber's Inn in Ann Arbor. Phone 429-2807 for reservations before June 9.

ST. RICHARD'S CHURCH – in Westland will host their annual Parish Festival of Faith June 7, 8 and 9. Hours are: Friday 6 p.m. to midnight, Saturday 11 a.m. to midnight, Sunday 1 p.m. to 10 p.m. There will be polka music Friday night, music from the 50s and 60s Saturday, and the Lorados on Sunday. There will be dancing, a classic car display, carnival rides and games.

FIRST UNITED METHODIST CHURCH OF WAYNE – is hosting their vacation Bible school "Jesus Calls, Come Follow" for children 2 years to sixth grade. Classes meet June 24 through 28, 6:30 to 9 p.m. To register, phone 721-4801.

EDUCATION

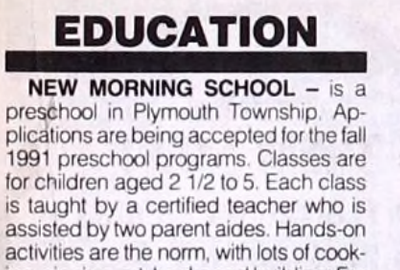
NEW MORNING SCHOOL – is a preschool in Plymouth Township. Applications are being accepted for the fall 1991 preschool programs. Classes are for children aged 2 1/2 to 5. Each class is taught by a certified teacher who is assisted by two parent aides. Hands-on activities are the norm, with lots of cooking, singing, art, books and building. For further information, phone 420-3331.

ALL-BREED DOG OBEDIENCE CLASSES – are being offered by the Detroit German Shepherd Dog Obedience Training Club at the American Legion Hall in Farmington. Phone 476-2477 or 459-3856.

ST. MEL'S CATHOLIC SCHOOL – in Dearborn Heights is accepting registrations for kindergarten. An open house is slated for 9 a.m. to 11 a.m. May 21 at the school on Inkster Road.

RESUME WRITING – Growth Works, Inc., located in Plymouth, is offering resume-writing services for $25. The fee includes development of the resume, printing five original copies and envelopes. Phone Tom at 455-4093. Growth Works is a non-profit community organization.

PLYMOUTH-CANTON HEAD STARTE – is recruiting children for the 1991-92 school year. Children must be 3 or 4 years old on or before Dec. 1 and must meet income requirements. The program is located at Central Middle School. Phone 451-6656.



SENIORS

THE WESTLAND SENIOR RESOURCES DEPARTMENT, FRIENDSHIP CENTER – Activities have been planned at the Westland Senior Friendship Center on Newburgh Road in Westland. The center is open Monday through Friday.

- Travel Group meets at 12:45 p.m. every Friday unless a trip is planned. Group includes speakers and weekly door prize.
- Stress and isolation counseling 2:30 to 4 p.m. Tuesdays by appointment only. Service offered by Annapolis Hospital. $5 fee.
- Center will be closed May 27 for Memorial Day holiday.
- Basic foot care is available to seniors from 9:30 a.m. to noon every Tuesday and Thursday at the Friendship Center by appointment only.
- Exercise is offered daily at the Friendship Center from 9:30 a.m. to 10:30 a.m. Monday through Friday. Moderate exercise and walking track available.
- Haircuts are available by appointment only. Sign up at the front desk.
- Health awareness day is scheduled every Friday. Free health services are offered by appointment.

WAYNE SENIOR CITIZENS – The following activities have been planned at the Wayne Community Center on Howe Road. For details, phone 721-7400.

- Blood-pressure screening is offered from 10:30 a.m. to 11:30 a.m. every third Thursday of the month.
- Handyman referral service is available for those needing help around the house. For information, phone 721-7400.
- Medicare information is provided to Wayne seniors by appointment. A trained counselor will provide information about benefits claims and appeals. Call the center for details.
- Telecare service is offered to local senior citizens. A volunteer will call each day to chat and make sure things are going well. To be added to the list, phone 721-7400 or 721-7460.
- Golden Hour Club annual picnic will be June 6 at the pavillion. Lunch is donated by the Wayne Civitan Club. Sign up at the community center.
- Golden Hour Club installation of officers will be at noon May 30.

ROMULUS SENIOR CITIZENS – The following activities have been planned at the Romulus Senior Center on Bibbins Road. The center is open Monday through Friday.

- Home helpers are available to those who need extra assistance. For more information, phone 722-2830.
- Insurance information is available beginning at noon every Thursday. The service is free.

FUN FOR ALL

WAYNE COUNTY FAIR – will be staged Aug. 6 through 10 at the fairgrounds.

NINTH ANNUAL CHILI COOKOFF – sponsored by the Livonia Jaycees will be June 30 at Eddie Edgar Arena in Livonia. Chili cooks must register by June 1. Proceeds benefit the Rosalyn Bryant Fund for Abused Children. Phone Mary at 729-1103.

NATIONAL CENTER FOR MISSING & EXPLOITED CHILDREN

Each year, hundreds of children and young people are abducted and exploited.

Their parents and family wait anxiously day after day for word of their child who was so viciously taken from their home.

The National Center for Missing and Exploited Children is in the business of publicizing and ultimately solving these mysterious disappearances.

The Center, based in Virginia, is responsible for most of the missing children advertisments which you see on milk cartons, billboards and such.

The photographs on this page were taken from the files of the National Center for Missing and Exploited Children. They are all actively being sought by their parents, with very few leads.

These children may be living in your neighborhood, attending your church, or even sitting next to your child in school.

They are out there somewhere.

Anyone with information concerning the whereabouts of any of these children is asked to call the National Center for Missing and Exploited Children at 1-800-843-5678.

If your child is missing, call your local police department right away.

If your child is at home, hug them and tell them about the dangers of the world and teach them to be safe.

Thanks to these local businesses for sponsoring these missing children.

Car thieves cannot hide

Car thieves will not have anyplace to hide beginning in August when Detroit law-enforcement agencies begin using the Teletrac Stolen Vehicle Locator Service.

The locator service was developed during a seven-year period by Los Angeles-based Teletrac. It is designed as a 24-hour-a-day service that automatically reports a car theft the minute it occurs. The instant a car protected with the service is stolen, officers at the Teletrac Control Center will know its precise location and the direction it is travelling, according to the developers of the product.

Police officers can track the vehicle on a computer screen in their patrol car and prepare to intercept the thief.

"We believe Stolen Vehicle Locator Service will revolutionize the vehicle theft recovery industry because of its ability to instantly notify police the moment a car is stolen," said Allen Hunt Jr., vice president and general manager of Teletrac.

Police in area communities have employed several methods in recent years to curb car theft. The Wayne County Auto Theft Task Force has put a major dent in stolen car rings, according to officials, as have on-board computers which allow police officers to run license plate checks without going through the dispatcher.

Police officials also recommend car owners take their own action by installing car alarms, leaving doors locked and using a steering wheel lock system.

Hunt said the Teletrac system will add to these existing systems and will prove to be a substitute in communities without some sort of prevention system.

The Teletrac system operates on a powerful radiolocation network, using the same technology that the U.S. military uses in the transmission of sensitive information.

The system is transparent to the subscriber and the car thief.

Teletrac also offers an emergency alert service for motorists needing roadside assistance.

Avis Ford picked by chairman

Avis Ford, and its president Walter Douglas, have received the 1990 Quality Care Chairman's Award, the highest award an auto dealership can attain from Ford Motor Co.

Nationally, Avis Ford is the first minority-owned Ford dealership to achieve such a distinction.

Selected by customers through nationwide surveys, Avis Ford has been recognized for constantly meeting and exceeding customers' needs and expectations. The dealership scored highest in customer satisfaction performance, sales and service, technical proficiency and convenience.

In receiving the Chairman's Award, Douglas acknowledges the extraordinary dedication of Avis Ford employees. He especially singles out the efforts of General Manager Jim Witmer, New Car Sales Manager Bob Morris, Service Manager Bob Skurda and Assistant Service Manager Jim Johnson.

In business since 1946, Avis Ford has been operated by Douglas as president and Ed Brown as vice president since 1986. Currently ranking among the top 20 Ford dealers across the nation, Avis posted sales of $59 million for 1990. Last year, the dealership sold more than 3,100 new cars and trucks and 1,200 used vehicles.

Avis Ford is located in Southfield.

Action Olds sponsors tournament

Action Oldsmobile is sponsoring a local tournament as part of the Oldsmobile Scramble June 22 at Whispering Willows Golf Club in Livonia.

Approximately 114,000 players participate in the scramble worldwide.

Partial proceeds from the tournament will go to PGA of America to encourage and support young golfers.

A $25 entry fee entitles participants to a round of golf, a cart and the possibility of winning the division and advancing to the sectional.

To enter, phone Ken Johnston at Whispering Willows, 476-4493 or Warren Wood at Action Olds, 261-6900.
